

LEAN GREEN BELT

Become a Certified Productivity Leader

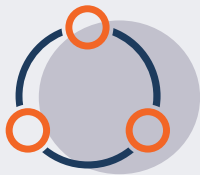

Are you a leader looking to enhance your productivity and the efficiency of your workplace?

The **Lean Green Belt** course helps you stand apart from the crowd and gives you your own personal coach who helps you apply Lean tools in your workplace. You will be helping your organization by making real, measurable work place improvements and you will receive an industry recognized certificate that enhances your professional profile. Getting a Lean Green Belt from PACE means you have not only attended a “training session” but you have the proven ability and skills of actually applying the tools in your workplace. Our point based graduation system helps you graduate at your PACE!

WE HELP YOU ENSURE EVERY CHANGE IS AN ACTUAL MEASURABLE IMPROVEMENT.

✓ REFINED WORKFLOW

✓ SAFER/FASTER PROCESSES

✓ IMPROVED QUALITY

LEAN GREEN BELT

Become a Productivity Leader
